If there's one thing we can say about this season, it's that the weather certainly hasn't let us get bored! From sunshine one minute to clouds, wind, rain, and everything in between the next, Mother Nature has kept us guessing every step of the way.

So, as we turn the page on another season in Lampman, we're taking a look back at what's been happening around our community – because there's always something going on here, rain or shine!

A WARM WELCOME TO FALL!

As the leaves change and we settle into cooler days, we're reminded of how lucky we are to call Lampman home. From local events to helping a neighbour rake leaves, it's our community spirit that makes Lampman special. Thank you for continuing to make our town a welcoming place for all.

Here's to a great fall season!

WHAT'S NEW IN LAMPMAN

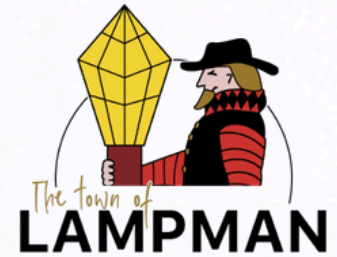

We're excited to see the Memory Lane Project continue to grow! We're looking for more stories, photos, videos, and memories from Lampman's past and present to help build our community collection. If you have something to share, we'd love to hear from you!

Your memories help preserve our community; share your stories, photos, and moments with us!

GETTING READY FOR WINTER

Winter Parking

As winter approaches, residents are reminded to watch for parking restrictions and ensure vehicles are moved when necessary to allow for snow removal.

Snow Removal

Help our crews keep streets and sidewalks clear by keeping vehicles, garbage bins and other items out of the way during snow removal operations.

Fire Safety

Before the cold weather arrives, take a moment to check furnaces, fireplaces, chimneys and other heating equipment to ensure everything is ready for the winter season.

Protecting Pipes

Freezing temperatures can lead to costly plumbing issues. Residents are encouraged to protect exposed pipes and take precautions in areas of their property that may be vulnerable to freezing.

Preparing Your Property

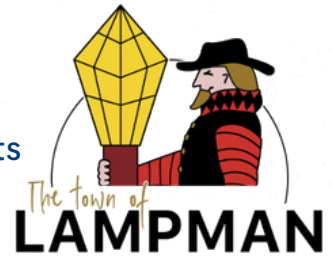

Fall is a great time to finish up outdoor maintenance, clean up yards and remove debris before winter arrives. A little preparation now can make the winter months easier for everyone!
