- E. The Parties wish to agree herein to terms upon which fire-fighting/disaster services and equipment may be provided.

NOW THEREFORE THIS AGREEMENT WITNESSES:

SECTION 1: DEFINITIONS

- 1.1 The following words and phrases shall for the purposes of this agreement have meanings ascribed to them in this Section 1:

"Assisting Party"	means the Party requested to provide Fire/Disaster Services hereunder by the party primarily responsible for the provision of Fire/Disaster Services within the boundaries of a municipality, whether or not assistance is actually extended.
"Service Charges"	means those charges for the provision of Fire/Disaster Services set forth in Schedule "A" hereto, which charges have been adopted and which be amended from time to time by resolution of the Council of each Party.
"Fire Chief"	Means in the case of either Party the person responsible for the operation and management of the fire department, including designate(s) of the Fire Chief.

- "Fire/Disaster Services" means fire fighting and rescue services, and includes response to hazardous materials discharges, explosions, spills, and other mishap or natural disaster.
- "Fire/Disaster Services Agreement" means an agreement either Party hereto and another municipality or corporate body by which certain fire-fighting and other services are provided to that municipality or corporate body, but excludes mutual aid agreements between fire departments.
- "Incident Command Procedures" means those procedures for the establishment and/or transferring of command over fire-fighting and related services at the scene of a fire or other emergency.
- "Requesting Party" means the Party which has the primary obligation to respond to fire alarms and other emergencies within a municipal territorial jurisdiction and which requests assistance from the other Party pursuant to this agreement.

SECTION 2: TERM OF THE AGREEMENT

- 2.1 This agreement shall be of force and take effect from the effective date, and shall continue in effect until the expiration of thirty (30) days following notice of termination by the Council of either Party in accordance with the provisions of Section 11.
- 2.2 The effective date shall be the date upon which the last Party executes these presents, following ratification hereof, by bylaw, by the Councils of The Parties.

SECTION 3: FIRE/DISASTER SERVICES MUTUAL AID

- 3.1 As and from the effective date, each Party hereto may request Fire/Disaster Services from the other Party and such Fire/Disaster Services, if given, shall be requested and extended in accordance with and subject to the terms and conditions set forth in this agreement.
- 3.2 Fire/Disaster Services may be requested either where the Requesting Party is unable to respond to a call from within its jurisdiction or is unable to respond with manpower or equipment adequate, in the opinion of the Requesting Party, to address the emergency.
- 3.3 Where the requesting Party is a party to a Fire/Disaster Services Agreement, the geographic area covered in the Fire/Disaster Services Agreement shall for the purposes hereof be deemed to be within the jurisdiction of the Requesting Party, without enquiry by the Assisting Party. In such cases the requesting Party shall be principally liable for the payment of service charges of the Assisting Party whether or not the municipality receiving aid under the Fire/Disaster Services Agreement disputes such charges.

SECTION 4: PROTOCOLS AND PROCEDURES

- 4.1 The Assisting Party shall, unless command is transferred at the scene of the emergency, provide assistance under the direction of the Fire Chief, or designates, of the Requesting Party.
- 4.2 In the Event the Assisting Party is the only Party at the scene of a fire or other emergency, the Assisting Party shall provide emergency services in accordance with the policies and operating procedures of the Assisting Party.

and the Fire Chiefs may establish protocols for transferring command at fire or other emergency scenes.

SECTION 5: ASSISTANCE DISCRETIONARY

5.1 The Parties acknowledge that each has a primary obligation to provide Fire/Disaster Services within the boundaries of its own municipality, and that the provision of aid to the Requesting Party may not be advisable, on a call by call basis, having regard to such factors as the state of available resources, the nature of the incident giving rise to the request for aid, the distances involved, and the existence or apprehension of emergencies or potential emergencies within the Assisting Party's municipality. Accordingly, the Fire Chief of a Party receiving a request for assistance shall have the sole and unfettered discretion to decline to authorize Fire/Disaster Services to a Requesting Party and may exercise such discretion without stating reasons. Further, the Assisting Party may divert personnel and equipment to another scene notwithstanding a response in aid of the Requesting Party or may withdraw from a scene, whether or not the Assisting Party is in command thereof, if in the sole discretion of the Fire Chief of the Assisting Party another alarm, emergency or location should be afforded a higher priority and may exercise such discretion without stating reasons.

SECTION 6: PROCEDURES FOR REQUESTS

6.1 The Fire Chief of the Requesting Party shall have and is hereby granted full and sufficient authority to request Fire/Disaster Services from the Assisting Party.

The Fire Chief of the Assisting Party shall have and is hereby granted full and sufficient authority to provide or, in his discretion, to decline to provide Fire/Disaster Services to the Requesting Party.

6.3 The Fire chief of the Assisting Party is further authorized to dispatch such personnel and equipment as can be allocated, in his judgement, for the response, and may do so without verifying the bona fides of the call or the alarm giving rise to the request. The Parties agree to co-operation in establishing protocols for confirming the identity of the caller on requests for assistance being made under false pretenses.

SECTION 7: SERVICE CHARGE

7.1 The Assisting Party shall charge fees for the provision of Fire/Disaster Services hereunder, in accordance with the charges set forth in a "Fee Schedule", adopted annually by resolution of the Parties to the Agreement, it being provided that the fees charged by The Parties may be different.

7.2 It is acknowledged that Service Charges are reviewable from time to time by the respective Councils of the Parties. Fees may be amended, by resolution of Council, on or before April 1st for the ensuing year, for so long as this Agreement remains in force. Revised fees so approved shall be adopted by The Parties to this Agreement in place of the fees set forth in the "Fee Schedule".

7.3 Following the provision of Fire/Disaster Services the Assisting Party shall prepare and deliver to the Requesting Party an itemized invoice for payment, in accordance with rates set forth in the "Fee Schedule". The Requesting Party shall remit payment of the amount so billed within 30 days of receipt of invoice. Failing payment is required, the Requesting Party shall pay interest on the debt or such portion thereof as remains unpaid, at the prime rate of interest of the Bank of Canada plus two percent (2%), such interest to be calculated from the date payment is overdue to the date payment in full is received.

SECTION 8: EMERGENCY MEASURES

- 8.1 The provision of the Agreement are not in lieu of plans made in respect of emergency measures nor does this Agreement derogate from the duty of the Parties hereto to follow protocols and lawfully report to authorities and agencies in cases of discharges of pollutants, spill or discharges of hazardous materials, hazardous waster materials, mishaps in the transportation of dangerous goods and incidents of like nature.

SECTION 9: INSURANCE

- 9.1 The Parties each covenant and agree that they shall carry property insurance covering their respective equipment and Comprehensive General Liability Insurance to commercially reasonable limits. Each Party shall at the request of the other from time to time provide suitable evidence of the taking out and maintaining of policies of insurance.

- 10.1 The Parties expressly covenant and agree that the Requesting Party shall, in respect of third party claims of any nature arising from the provision of Fire/Disaster Services by the Assisting Party under this Agreement, indemnify and hold harmless and keep indemnified demands, actions, and causes of action asserted by third parties and in any way arising from performance or non performance under this Agreement by the Assisting Party. The within covenants of indemnity shall survive the termination of this Agreement.

SECTION 11: TERMINATION

- 11.1 Any Parties to this agreement may withdraw from the Agreement upon thirty (30) days' written notice to such effect from the Council of the Terminating Party to all other Parties.

SECTION 12: NEW PARTIES TO AGREEMENT

- 12.1 In the event that a rural or urban municipality deems it in their interest to join this agreement as a new Party, unanimous written approval from the current Parties to the Agreement shall be required for the acceptance of the new Party.
- 12.2 The new Party desiring to enter this agreement, upon acceptance from the Parties, shall cause to be passed a bylaw to enter into this agreement, and shall inform in writing to the Parties of the Agreement the date of the final passing of such bylaw.

 - B) continues to be applicable to and enforceable to the fullest extent permitted by law against any person and circumstance other than those to whom it has been held or rendered un-enforceable or illegal.

Neither Party is obliged to enforce any term, covenant or condition in this Agreement against any person, if, or to the extent of doing so, Party is caused to be in breach of any laws, regulations or enactment from time to time in force.

- 13.6 No waiver shall be inferred or implied by any forbearance by a Party hereto or anything done or omitted to be done by a Party with respect to a default, breach or nonobservance save only an express waiver in writing and then only to the extent expressly stipulated and necessary to give effect to such express waiver. Without limiting the generality of the foregoing the subsequent acceptance of payment by a Party is not and is deemed not to be a waiver of any preceding breach or continuing breach by the other Party of any term, covenant or condition of this Agreement, regardless of knowledge of any such preceding breach at the time of acceptance of such payment.
