****Lagoon Update****

The new lagoon is progressing very quickly. We were informed by the contractor that the new lagoon and lift station should be up and operational this year, rather than 2020, as was originally estimated.

+++++

****Building Permits****

If you are planning any new construction or renovations to your property (**including decks, fences, etc.**), you require a building permit **PRIOR** to any construction commencing. Contact the Town Office for more information and to fill out a building permit application.

+++++

+++++

ATV's & Dirt Bikes

The law regarding ATV's & dirt bikes states that they are **NOT ALLOWED** within town limits and, if stopped by the RCMP, you may be charged. The Town has been tolerant with the use of ATV's for yard work etc. **ONLY!**

Please respect your neighbours by taking ATV's, dirt bikes and snowmobiles out of town limits in the quietest manner by the most direct route.

Any complaints or concerns regarding golf carts, ATV, snowmobiles etc. should be made directly to the Estevan RCMP. 306-637-4400.

Pet Owners

It is the responsibility of all pet owners to ensure that ALL pets (DOGS & CATS) are properly restrained to your own property and **NOT allowed to run at large.** It is also the **pet owner's responsibility** to not allow your pets to bark, howl or cry loudly or excessively and you must clean up all feces after your pet if you are off your property. All pets **must** have a Town of Lampman pet licence. **These pet licences are good for the life of the pet and no longer need to be renewed yearly.** *If your pet loses the tag you will have to purchase another tag for that pet.*

+++++

REMINDER to All Property Owners

If you are able to do so, please trim tree branches that may protrude from your property into the back alley.

Operation of Vehicles

The following are a few excerpts from the current operation of vehicles bylaw (Bylaw No. 2016-12):

- * **The speed limit within the Town of Lampman is 40 km/hr, unless otherwise posted.**
- * **No vehicles (including campers, trailers, etc.) may be parked in any one place for 24 hours or more.**
- * **No parking within 10 metres of any intersection or fire hydrant.**

For the full bylaw, please check out the Town of Lampman website.
